

Winter Camp Spark - Igniting Knowledge!

December 22, 23, 29, 30, and 31, 2014 & January 2 and 5, 2015

MoLab, Inc.'s Camp Spark – Igniting Knowledge! is offered when students in Leon County are on school breaks for the winter, spring, and throughout the summer. Sessions are presented at a local school or organization. We are excited to host this camp session at two new locations. Winter Camp Spark will be held at Cornerstone Learning Community located at 2524 Hartsfield Rd. Tallahassee, FL 32303 on December 22, 23, 29, 30, 31 and January 2. On January 5, MoLab will present Camp Spark in partnership with Independent Green Technologies located at 3945 W. Pensacola St. Tallahassee, FL 32304.

Winter Camp Spark will offer students 5 years old through the 8th grade the opportunity to participate in STEAM (Science, Technology, Engineering, Art, and Math) activities in a fun, interactive, and safe environment. Each daily session will present campers the opportunity to explore science through creative play, experimentation, and inquiry-based learning experiences. The sessions present age appropriate curriculum and are designed to provide students with engaging educational activities that are both informative and entertaining.

For more information and to download a brochure, please visit www.tallymolab.org.

THEMES:

December 22: Fizz, Bang, Build! - Kick off the break with a day of assorted science experiments in chemistry, weather wonders, and fabulous physics. Get hands-on and be creative!

December 23: Frozen Science – Burr, there are so many cool experiments you can do with ice. Explore phase changes, create fake snow, experiment with dry ice, and make your own ice cream as you explore the science of cold!

December 29: Eco Adventure – Explore Florida's backyard in the winter! Discover the survival skills of plants and animals, investigate habitats, create an observation journal, and get outdoors for live encounters.

December 30: Spy Kids Camp – Sharpen your investigation skills to gather clues and analyze evidence; and bring your artistic skills to sketch suspects. We need your expertise to solve a mystery!

December 31: World Travelers – Celebrate the New Year with a special count down that takes campers on an exciting journey discovering science and culture around the world. It's a New Year's Eve party of discovery!

January 2: Hogwarts Day School – Calling all Hogwarts students home for the winter holiday to a one day workshop designed to exercise wizardry skills. Subjects to be covered include: Potions, Herbology, Arithmancy, and the Care of a Magical Creature.

January 5: Solar Science at IGT – Experience the power and usefulness of the sun with Independent Green Technologies and other sustainable partners. Campers will get hands-on with solar energy and learn from the experts while creating solar ovens, sun sensitive bracelets, and solar art!

FEES:

Daily Camp fees are \$45 per day which includes lunch and 2 snacks. Hours are from 9 a.m. to 4 p.m.; drop off starts at 8:45 a.m. and pick up is until 4:15 p.m. Extended Camp care is available starting at 7:45 a.m. for \$5/day and until 6 p.m. for \$5/day. A discounted rate is available for multiple days and additional siblings.

REGISTRATION:

Payment in full is due with registration.

To pay by check or money order, please send completed registration forms and payment by mail to 1700 N. Monroe Street Ste 11-223; Tallahassee, FL 32303.

Credit card payment must be made at www.tallymolab.org using MoLab, Inc.'s PayPal account. After completing your transaction, please write the confirmation sequence on the registration form and send by mail to the address above or email to aimee@tallymolab.org.

Camp Spark makes learning fun and links Science, Technology, Engineering, Art, and Mathematics (STEAM) concepts to the real-world
