

Winter Camp Spark - Igniting Knowledge!

December 18, 19, 20, 21, 22, 27, 28, and 29, 2017 & January 2, 2018

REGISTRATION BEGINS October 23, 2017

MoLab, Inc.'s Camp Spark – Igniting Knowledge! is offered when students in Leon County are on school breaks for the winter, spring, and throughout the summer. Sessions are presented at a local school or organization. Winter Camp Spark will be held at St. Paul's United Methodist Church at 1700 North Meridian Road, Tallahassee, FL 32303.

Winter Camp Spark will offer students 5 years old through the 8th grade the opportunity to participate in STEAM (Science, Technology, Engineering, Art, and Math) activities in a fun, interactive, and safe environment. Each daily session will present campers the opportunity to explore science through creative play, experimentation, and inquiry-based learning experiences. The sessions present age-appropriate curriculum and are designed to provide students with engaging educational activities that are both informative and entertaining.

For more information and to download Camp Guidelines, please visit www.tallymolab.org.

THEMES:

Monday, December 18: Glow Science – So many things glow in the dark! From toys to nature, we will explore things that give off their own light. Experiment with glow sticks, explode an eerie geyser, and create glow in the dark art!

Tuesday, December 19: Code Masters – Coding is both an art and a science. Use your creative skills to reveal secret messages, decipher mathematical and pictographic codes, send a message in Morse code, and get hands-on with computer coding on the MacLab.

Wednesday, December 20: Star Wars Science – It's time to think like a Jedi and use the force to delve into science exploration! Make lava slime and rescue Darth Vader, discover similarities between Yoda's Dagobah world and ours, investigate new planets, and analyze what exactly is a Porg!

Thursday, December 21: Winter Wonders – Celebrate the winter solstice with cool experiments and chilling crafts. Explore phase changes, experiment with dry ice, and make your own ice cream as you explore the science of the season – brrr!

Friday, December 22: Engineer Lab – You are the engineer as you get hands-on with fun challenges that have you thinking creatively to solve problems while building 3D designs. Build a bridge, create a Lego shelter, and use your imagination to construct from a mystery bag!

Wednesday, December 27: Radical Reactions – Flash, bang, pop, and fizz! Discover some amazing chemistry reactions as you spend the day concocting some super fun, colorful, messy mixtures – Pop-rock balloons, edible slime, and more!

Thursday, December 28: Vet Camp – Spend the day discovering the world of pet science and learn about the health needs of a variety of animals. Explore anatomy and create a candy spine, enjoy live encounters, make tasty dog treats, and more!

Friday, December 29: Science Parade: 2017! – Send off the year conducting hands-on experiences inspired by some of the super scientific discoveries made in 2017! Learn about future space exploration and make your own recycled rocket, create a planet to sustain alien life, and edit your own candy DNA!

Tuesday, January 2: Spark Smorgasbord – Enjoy one more day off participating in an array of exciting explorations in solar science, kitchen chemistry, fabulous physics, and nature discoveries!

FEES:

Daily Camp fees are \$45 per day, which includes lunch and 2 snacks. A discounted rate is available for multiple days & additional siblings. Hours are from 9 a.m. to 4 p.m.; drop off starts at 8:45 a.m. and pick up is until 4:15 p.m.

Extended Camp care is available starting at 7:45 a.m. for \$5/day and until 6 p.m. for \$5/day.

Please contact Aimee Hills for more information, questions, or to request a brochure at aimee@tallymolab.org or 850-591-6362.

REGISTRATION:

Payment in full is due with registration.

To pay by check or money order, please send completed registration forms and payment by mail to MoLab, Inc. at **1700 N. Monroe Street Suite 11-223 Tallahassee, FL 32303.**

Credit card payment must be made at www.tallymolab.org using MoLab's PayPal account. After completing your transaction, please write the confirmation sequence on the registration form and send by mail to the address above or email to aimee@tallymolab.org.

Camp Spark makes learning fun and links Science, Technology, Engineering, Art, and Mathematics (STEAM) concepts to the real-world
