

Spring Camp Spark - Igniting Knowledge!

March 12 – 16 and 19, 2018

REGISTRATION BEGINS January 17, 2018

MoLab, Inc.'s Camp Spark – Igniting Knowledge! is offered when students in Leon County are on school breaks for the winter, spring, and throughout the summer. Sessions are presented at a local school or organization. We are excited to host this camp session at St. Paul's United Methodist Church at 1700 North Meridian Road Tallahassee, FL 32303.

Spring Camp Spark will offer students 5 years old through the 8th grade the opportunity to participate in STEAM (Science, Technology, Engineering, Art, and Math) activities in a fun, interactive, and safe environment. Each daily session will present campers the opportunity to explore science through creative play, experimentation, and inquiry-based learning experiences. The sessions present age-appropriate curriculum and are designed to provide students with engaging educational activities that are both informative and entertaining.
