

# Camp Spark – Igniting Knowledge!

## Summer 2020

*Camp Spark makes learning fun and links Science, Technology, Engineering, Art, and Mathematics (STEAM) concepts to the real-world.*

## **ABOUT**

MoLab, Inc.'s Camp Spark – Igniting Knowledge! is offered when students in Leon County are on school breaks for the fall, winter, spring, and throughout the summer. Sessions are presented at a local school or organization. The Summer Camp Spark 2020 session will be held virtually for weeks 1-4 (see website for details). Camp will be hosted for weeks 5-8 at Cornerstone Learning Community located at 2524 Hartsfield Road, Tallahassee, FL 32303. Sessions 9 – 10 will be held at Saint Paul's United Methodist Church at 1700 North Meridian Road, Tallahassee, FL 32303. Please see page 3 for the dates of each week.

Summer Camp Spark will offer students 5 years old through the 8th grade the opportunity to participate in art and science activities in a fun, interactive, and safe environment. Each weekly session will present campers the opportunity to explore science through creative play, experimentation, and inquiry-based learning experiences. The sessions present age-appropriate curriculum and are designed to provide students with engaging educational activities that are both informative and entertaining.

Camp sessions are staffed by certified school teachers and/or MoLab, Inc. educators. MoLab, Inc. conducts Level 2 background screenings on all employees/volunteers and maintains a 1:9 adult to child ratio. Weekly sessions are offered by rising grade level and each day will present a new experience with age-appropriate activities.

*Camp Spark makes learning fun and links Science, Technology, Engineering, Art, and Mathematics (STEAM) concepts to the real-world.*

## **HOW TO REGISTER**

Registration begins March 25, 2020. Our Camps fill on a first-come, first-served basis. Please register early as Camps fill quickly. A \$10 reduced **non-refundable deposit** is required to register for each session, which is subtracted from the total Registration Fees. Complete payment (including Camp tuition and other related fees) for June Virtual Camp sessions (weeks 1-4) is due by June 1, July Camp sessions (weeks 5-9) by June 29, and August Camp sessions (week 10) is due by August 1.

Clients may also choose to pay in full with Registration.

Refunds will be given up to 2 weeks prior to the start of a session **minus the \$10 non-refundable deposit**. Payments become **non-refundable within two weeks** of the Camp start date.

Please complete one registration form for each Camper (photocopies are acceptable).

Select **Camp sessions based on the grade level that the Camper will be entering in the fall of 2020**. Be sure to include title, code, and correct fees on the Registration Form. If registering more than one child, deduct a \$10 per week Sibling Discount from the lesser of your children's tuition subtotals.

Registration Forms (page 8) can be mailed or emailed. To pay by check or money order, please send completed Registration Forms and payment by mail to **1700 N. Monroe Street Suite 11-223, Tallahassee, FL 32303**.

Credit card payments must be made at [www.tallymolab.org](http://www.tallymolab.org) using MoLab's PayPal account. After completing your PayPal transaction, please write the confirmation sequence on the Registration Form. **In order to ensure that your child's spot is secured, you must send the Registration Form via email to [aimee@tallymolab.org](mailto:aimee@tallymolab.org) as soon as the payment transaction is completed.**

**Account invoices will be emailed** to the parent or guardian upon Registration showing the remaining balance due. All Campers must have an Authorization to Pick Up Camper Form on file. Campers requiring medication to be administered during Camp hours must also have a completed Authorization to Administer Medication Form (only oral medications will be administered). All appropriate Forms (required: Authorization to Pick Up Camper Form and Lunch Order Form) should be returned to MoLab prior to the session start date. Please return by mail or email. Camp paper work is available online at [www.tallymolab.org](http://www.tallymolab.org).

If a Camp session is full, you may request to be put on a waiting list. If a Camp must be cancelled due to minimum enrollment requirements, an alternative session can be selected, space permitting, or payment will be refunded minus the \$10 non-refundable deposit.

## CAMP DAYS, HOURS, & FEES

Monday – Friday\*

Full day sessions: 9 a.m. – 4 p.m.  
Drop Campers off starting at 8:45 a.m.  
and pick up by 4:15 p.m.

\$180 per weekly all-day session\*  
All fees include lunch and two snacks

\* *Week 5 is a four-day session due to a State Holiday. The rate for this week is \$145.*

Sessions are offered according to the Grade Level the Camper is entering for fall 2020:

Grade PreK5-1 Camps  
Grade 2-3 Camps  
Grade 4-5 Camps  
Grade 6-8 Camps

## CAMP SESSIONS

Week 1: June 1 -5: **Virtual**  
Week 2: June 8 - 12: **Virtual**  
Week 3: June 15 - 19: **Virtual**  
Week 4: June 22 - 26: **Virtual**  
Week 5: June 29 - July 2\*  
Week 6: July 6 - 10  
Week 7: July 13 - 17  
Week 8: July 20 - 24  
Week 9: July 27 - 31  
Week 10: August 3 - 7

Special supply or transportation fees may apply to certain sessions. Please check in the session descriptions section of this Registration Guide.

## EXTENDED CARE

Extended Care is available to accommodate busy schedules. Campers enrolled in Pre-Camp care may sign-in as early as 7:45 a.m. For afternoon care, Post-Campers may be signed out any time before 6 p.m.

Pre-Camp – 7:45 a.m. to 9 a.m.  
\$5/day or \$20/week  
Post-Camp – 4 p.m. to 6 p.m.  
\$5/day or \$20/week

Campers must be picked up by 4:15 p.m. unless they are enrolled in Post-Camp, in which case, they must be picked up by 6 p.m. to avoid a \$1/minute late charge.

## LOCATION AND PARKING

Campers will be dropped off and picked up for weeks 5-8 at Cornerstone Learning Community located at 2524 Hartsfield Road, Tallahassee, FL 32303. Parking is available in front of the west building where camp is located. Please see the Camp Guidelines for additional information.

Camp will be held at Saint Paul's United Methodist Church located at 1700 North Meridian Road, Tallahassee, FL 32303 during weeks 9-10.

Parking is available behind the building and is accessible from Tharpe Street or the Lake Ella entrance.

## **VOLUNTEER OPPORTUNITY FOR HIGH SCHOOL STUDENTS**

Are you looking for something fun to do this summer? Do you need to earn volunteer hours? Would you like to gain some professional experience working in an exciting environment? Students entering the 9 through 12 grades are eligible for our Counselors-In-Training Program!

You must pre-register and attend a training session on May 28, from 2:30 p.m. to 4:30 p.m. at Saint Paul's United Methodist Church. Each volunteer is responsible for completing a Level 2 background clearance. There is a one-time fee for the program which covers the expense of the screening. Call or email Aimee Hills for additional details and to register for the Counselors-In-Training Program (850) 591-6362 or [aimee@tallymolab.org](mailto:aimee@tallymolab.org).

**The CIT Program has been suspended for Summer 2020 - please check the website for updates.**

## GRADES PREK5-1 CAMP SESSIONS (FULL DAY SESSIONS ONLY)

### **Grossology Lab – Week 1 is Virtual - visit the web for info.**

Who doesn't love things that are ooey, gooey, icky, and smelly?! Investigate the systems of the body and learn the importance of some "gross" things as you create snot slime and fake blood, make poop-emoji cookies, and discover why some animals are cool being a little gross!

**A1D: June 1-5**

### **Busy Builders Week 2 is Virtual - visit the web for info.**

Calling all little engineers for a week of hands-on fun discovering physics and engineering! Work with Legos® to build some super structures, construct castle towers, make marvelous machines, and unearth some amazing animal engineers.

**A2D: June 8-12**

### **Rock-a-saurus Rex**

#### **Week 3 is Virtual - visit the web for info.**

You're the king of the dinosaurs as you explore Mesozoic creatures that roamed the earth, ruled the sea, and soared through the skies. Rock-out this session by getting hands-on with fossils, dino-discovery experiments, and primeval crafts.

**A3D: June 15-19**

### **Critter Capers**

#### **Week 4 is Virtual - visit the web for info.**

Ever wondered why bees are so important? Or, how does a lantern fish glow? What does a koala have in common with humans? Discover all this and more as we reveal the mysteries of animals great and small. Enjoy eco-strolls to observe local wildlife and live encounters with Carol's Critters.

**A4D: June 22-26**

### **Tasty Science**

It's a delicious week using food to explore science and the senses with some edible and not-so-edible projects. Inflate a balloon with fizzing rocks, get hands-on with sweet candy buoyancy experiments, construct a marshmallow tower, enjoy pizza math fun, and much more!

**A5D: June 29-July 2**

**\*NO CAMP ON JULY 3 which is a state holiday. Rate for week 5 is \$145.**

### **Wacky Water Wonders – CANCELLED**

What a great way to beat the heat – with a water themed week of experiments and activities! Discover the states of matter, build a buoyancy barge, enjoy water balloon trajectory games, mix up solutions to make giant bubbles, use water to create optical illusions, and enjoy an assortment of water play!

**A6D: July 6-10**

### **Jungle Explorers**

Jaguars, pythons, and tigers – oh my! Campers will get creative as they explore the jungle habitats around the world and discover top predators, exotic plants, wild weather, and amazing animal adaptations. Plus discover some awesome critters in our own backyard; it's a jungle out there!

**A7D: July 13-17**

### **Chemistry Cauldron**

Wizards and scientists will both agree that this potions lab is all that and more! Reveal the wonders of color changing chemistry, create scented silly putty and edible slime, concoct oodles of ooze, plus enjoy some experiments with candy!

**A8D: July 20-24**

### **Silver Screen Science**

Campers will enjoy artistic creations and scientific discoveries from our favorite silver screen pals. Create a *Coco* inspired skeleton, embark on a musical tour with *Trolls*, discover all things hot and *Frozen*, dive into the ocean world with *Nemo*, explore space through *Star Wars*, and discover superpowers of the *Descendants*.

**A9D: July 27-31**

### **Spark Smorgasbord**

There's still a whole week of summer vacation which means there is plenty of time to do it all! Enjoy a week of our favorite STEAM activities including slime

making, mixing up frozen treats, engineering sweet towers, animal explorations, and crafty colorful constructions.

**A10D: August 3-7**

## GRADES 2-3 CAMP SESSIONS (FULL DAY SESSIONS ONLY)

### *Pokémon Science Week 1 is Virtual - visit the web for info.*

It's a week dedicated to the art and science of your favorite anime characters! Discover Ponyta's luminescent tail resulting from a chemical reaction, explore sound with Whismur, and get hands-on with Charizard's melted rock! Plus, make a Pokéball and your own characters with super scientific powers!

**B1D: June 1-5**

### *Galactic Rebels Week 2 is Virtual - visit the web for info.*

Discover the wonders of space from our solar system to those of the New Republic. Design a droid, use the force and experiment like a Jedi, compare Earth's climate to Jakku, and enjoy Exegol inspired electric experiments. On Friday, it's a totally Tatooine costume party!

**B2D: June 8-12**

### *Rock-IT-BOT Kids*

#### *Week 3 is Virtual - visit the web for info.*

Campers, are you ready to rock out an awesome week of camp exploring all things STEM? We'll get hands-on with rocketry, practice computer coding skills on Scratch, discover robotics and build your own mini bot, get creative with Lego®, and more!

**B3D: June 15-19**

### *Biology Blast Week 4 is Virtual - visit the web for info.*

Have a blast exploring the diversity of plants and animals from around the world! Discover all sorts of cool critters and positively potent plants. Go for an eco-stroll and get hands-on with biology through experiments and art projects. Plus, meet live animals in a visit from Carol's Critters.

**B4D: June 22-26**

### *Spy Kids: Code Breakers*

It's time to go undercover and use your detective skills to solve mysteries and crack codes. Learn how to reveal secret messages, decipher mathematical and pictographic codes, create your own cipher, code with Legos®, and solve a clue-gathering scavenger hunt. Are you up for the challenge?

**B5D: June 29-July 2**

**\*NO CAMP ON JULY 3 which is a state holiday. Rate for week 5 is \$145**

### *Sweet and Salty Science*

Science never tasted so great! Excite molecules to make monster marshmallows, whip up butter and learn about emulsions, enjoy optics experiments with Jell-O, and create your own shrunken potato head through desiccation. Aren't you excited to see what else is on the menu in this food lab?

- **Lab fee: \$10**

**B6D: July 6-10**

### *Wizard School*

Head to Diagon Alley and embark on a spellbinding journey exploring the world of magic. Using your math and science skills, you'll learn to amaze friends and family with sleight of hand tricks, illusions, and potions – we'll also study herbology and magical creatures.

**B7D: July 13-17**

### *Lego® Gadgets*

Gear up for a camp that uses Legos® and an assortment of other materials to explore engineering concepts as you construct, build, collaborate, and play! Discover the marvels of machines as you create things that flip, whirl, and cruise from a Lego® Gadget Kit that you get to keep.

- **Supply Fee: \$15 provides a Lego® Gadget Kit for each camper.**

**B8D: July 20-24**

### *Junkyard Band*

Get noisy, get creative, and have fun rocking out a week exploring the ins-and-outs of sound science! You'll get hands-on as we discover energy, waves, wind, anatomy, and the vibrations from various cultures. Build your own musical instruments and entertain family and friends on Friday in our first MoConcert. The rhythm is going to get you!

**B9D: July 27-31**

### *Spark Smorgasbord*

Enjoy one more week of exciting art and science explorations with an amazing assortment of experiments and crafts! Experiment with candy chemistry, make recycled art, get excited with engineering challenges, and create cool substances like galactic goo!

**B10D: August 3-7**

## GRADES 4-5 CAMP SESSIONS (FULL DAY SESSIONS ONLY)

### **Atomic Comics** *Week 1 is Virtual - visit the web for info.*

Create your own comic strip and learn about perspective, drawing characters, and storyline development. Get hands-on with experiments that reveal the science behind some amazing superheroes and invent astonishing traits for your own characters.

**C1D: June 1-5**

### **Minecraft Camp** *Week 2 is Virtual - visit the web for info.*

Chemistry, geology, physics, math – Minecraft offers opportunities to explore it all! Discover renewable energy, get hands-on with simple machines and construct a catapult, use teamwork to engineer a bridge, go on virtual scavenger hunts, use your art skills to create an adventure map, build biodomes, and much more!

**C2D: June 8-12**

### **Hollywood Science**

#### *Week 3 is Virtual - visit the web for info.*

Get ready to walk the red carpet! From the back lot to opening night, explore the world of movie magic. Practice the art of script writing, the science of special effects, and create your own short film to debut at the end of the week in a special premiere event for friends and family!

- **Lab Fee: \$10**

**C3D: June 15-19**

### **Go Code Gamers!** *Week 4 is Virtual - visit the web for info.*

From pixels to megabytes – you will learn the ins-and-outs of game creation! Play and rank games on introduction, content, and delivery. Get hands-on with introductory coding challenges, draw your own pixel art, customize your own avatar, and create your own games on platforms including Scratch, GameMaker, and Roblox.

**C4D: June 22-26**

### **Fireworks Lab**

Are you ready for a colorful camp that truly sparks? It's the perfect week to explore chemistry and physics through the fire art of pyrotechnics! Create flaming colors, dissect a skyrocket, enjoy experiments in trajectory and combustion, and action-reactions that fizz, pop, and bang!

**C5D: June 29-July 2**

**\*NO CAMP ON JULY 3 which is a state holiday. Rate for week 5 is \$145.**

### **Hogwarts Academy**

All wizards, squibs, and muggles enrolled in this summer session of Hogwarts Academy will participate in daily lessons to assist in the preparation of OWL Exams. Students will get hands-on with Herbology, Potions, Astronomy, Arithmancy, History of Magic, and the Care of Magical Creatures. Lessons in the Defense Against the Dark Arts will not be taught at this time.

**C6D: July 6-10**

### **Lego® Robotics I**

No need to short circuit with this robotics camp! Learn the basics of robotics as you explore the relationship of gears to speed and torque, try tasks with robot hands, and build and program with Lego® Mindstorms EV3 Education Software. On Friday, invite friends and family to watch your robot navigate a course!

**C7D: July 13-17**

### **Nailed It: Science Chef**

It's a week of kitchen chemistry, culinary explorations, and creative concoctions! You're the chef as you team up to cook tasty treats, write your own recipes, and explore savory combinations. The week starts with a lesson in kitchen safety and concludes with a fun chef challenge!

- **Lab Fee: \$15**

**C8D: July 20-24**

### **Pop Engineer Lab**

Engineering has never been so fun with challenges and projects geared towards our favorite anime, movies, and videogames. Build a Fortnite inspired defense tower, construct a suspension bridge like one found in the Descendants' Auradon, assemble an X-Wing fighter to drop torpedoes on the Death Star, make your own Beyblade, design a Pokéball, and more!

**C9D: July 27-31**

### **Spark Smorgasbord**

What does this week have in common with a proton? It's positive-ly the best way to wrap up a summer, by getting hands on with all things STEAM! Engineering challenges, food science experiments, colorful creations – anything goes!

**C10D: August 3-7**

## GRADES 6-8 CAMP SESSIONS (FULL DAY SESSIONS ONLY)

### ***Make-IT Week 1 is Virtual - visit the web for info.***

Kick off the summer with a week of creative science and technology exploration in MoLab's TechLab. You'll get hands-on with new ways to develop your computer skills and use them to create digital scrapbooks, pixel art, slide shows, stories, and more!

**D1D: June 1-5**

### ***Architecture and Design***

#### ***Week 2 is Virtual - visit the web for info.***

Spend the week exploring architecture and design through art projects, building activities, and design challenges. Campers will use computer software to draw 3D models, construct real-world models with Legos® and art supplies, and discover mobile design and survival architecture. On Wednesday, campers will enjoy a special site visit and have the privilege of touring the only private residence Mr. Frank Lloyd Wright designed that was built in Florida!

**D2D: June 8-12**

### ***Veterinary Science***

#### ***Week 3 is Virtual - visit the web for info.***

Learn what it's like to be a veterinarian and explore the essentials of pet care and medicine. Discover the important duties of the skeletal, digestive, muscular, and

circulatory systems; diagnose ailments; and delve into the science behind scooting and hairballs. On Wednesday, enjoy a special trip to The Leon County Animal Service Center to tour the facility and see veterinary science in action!

**D3D: June 15-19**

### ***Digital Photography This session has been rescheduled for Week 6: July 6-10. Two awesome camp choices in 1 week!***

Campers will enjoy a week discovering new techniques, experimenting with light and composition, and participating in projects that explore photographic genres. Plus, discover how computer technology can be used to enhance digital creations all the while creating a portfolio of your work. Enjoy picturesque walks around Lake Ella.

- **Supply Fee: \$20 to cover the expenses of photo paper and ink.**
- **Campers will need to bring a digital camera with zoom, flash, and USB cord. iPhones with USB cords are an acceptable alternative to digital cameras.**

**D6D2: July 6-10**

### ***Boom and Pop Art***

Explore and create art that pops, booms, and explodes with color! Discover the Pop Art movement and create colorful masterpieces, drop a paint bomb, use science that fizzes and explodes to create colorful canvases. It's a combination of art and science that's bound to get a little messy!

**D5D: June 29-July 2**

**\*NO CAMP ON JULY 4 which is a state holiday. Rate for week 5 is \$145.**

### ***Lego® Robotics II***

Campers are the engineers as they explore the exciting world of robotics. Campers will work with cutting-edge Lego® Mindstorms EV3 Education Software as well as sound, touch, and light sensors! They will get hands-on experience with circuitry and programming with the culmination being an end of the week obstacle course – are you up for the challenge?

**D6D: July 6-10**

### ***Master Mo-Chef***

Concoct, Create, Cook – work with mystery ingredients, learn kitchen safety, explore cooking chemistry and culinary science, master creativity, and presentation. The week is full of hands-on experiments and mini challenges. This camp culminates in a 2-hour competition with a mystery ingredient. It's a gastronomic adventure!

- **Supply Fee: \$25**

**D7D: July 13-17**

### ***Coding and Videogame Makers***

Just don't play the games – create them! Spend the week getting hands-on as you code and create your own videogames. Campers will sharpen their skills using a variety of platforms, including an intro to Unity and Python. You will practice story development, programming, creating avatars, and mobs. Plus explore careers in computer engineering!

**D8D: July 20-24**

### ***Lights, Camera, Action***

Quiet on the set! It's time to explore the ins-and-outs of film production. You're the producer as you team up to write a script, design sets and costumes, and practice special effects techniques. Film and edit a live action short for a Friday film premiere. It's a wrap!

- **Lab Fee: \$10**

**D9D: July 27-31**

### ***Spark Smorgasbord***

Wrap up a fantastic summer of discovery with a week dedicated to your favorite activities and experiments! Spark your excitement with hands-on exploding chemistry, food science, coding projects, engineering challenges, electrifying experiments, and more!

**D10D: August 3-7**

# CAMP SPARK – IGNITING KNOWLEDGE! REGISTRATION FORM

## 1. CAMPER INFORMATION

Camper's Last Name	First Name	Age	Birth Date	School	Grade in fall '20
Parent #1 Last Name	First Name		Home Phone	Work Phone	Cell Phone
Parent #1 Address		City	State	Zip	Email Address
Parent #2 Last Name	First Name		Home Phone	Work Phone	Cell Phone
Parent #2 Address		City	State	Zip	Email Address
Emergency Contact Name (if parents cannot be reached)			Phone #1	Phone #2	
Physician's Name			Physician's Phone Number		

**Please list any Medication, Allergies, and/or Special Needs:**

---

### Special Permissions:

- 1. My child has permission to take field trips planned with some classes.
- 2. In case of an emergency, MoLab has permission to take my child to the hospital.
- 3. Photographs or video images may be taken for marketing purposes. I give permission for my child's image to be used.
