

"Trish and Aimee were fun, informative and completely professional from start to finish. I have nothing but praise for their programs, and can't wait to see what new programs MoLab will have for us next year."

Verna Brock, Woodville Library Branch Manager

"My son, Rhys, is LOVING camp this week! It's the perfect prep for Kindergarten. Thank you all for keeping him engaged. He comes home and talks about what he's done with you all for ages!" Hayley S.

"We have good people who are teaching them, people who laugh, and play, and interact with the kids...and the kids enjoy doing fun stuff." Ahmad Favors, Program Director, Oliver Hill Sr. Community Center

"THANK YOU for a great week at Camp Spark for my Emma! I am very impressed with all of the knowledge she left with each day, and especially with the hands-on science she was able to participate in!"

Karen B., 4th grade teacher

MoLab is a great addition to our Extended Day Program at Holy Comforter Episcopal School. Trish and Aimee are a dynamic duo that provide fun and exciting hands-on science projects for our students. From cocoa fingerprinting to StarLab, it's always a blast!"

Bertie Culbreath, Director of Extended Day
