

Spring Camp Spark - Igniting Knowledge!

March 14 - 18 & 21, 2022

REGISTRATION BEGINS January 31, 2022

MoLab, Inc.'s Camp Spark – Igniting Knowledge! is offered when students in Leon County are on school breaks for the fall, winter, spring, and throughout the summer. Sessions are presented at a local school or organization. We are excited to host this camp session at St. Paul's United Methodist Church at 1700 North Meridian Road Tallahassee, FL 32303.

Spring Camp Spark will offer students 5 years old through the 8th grade the opportunity to participate in STEAM (Science, Technology, Engineering, Art, and Math) activities in a fun, interactive, and safe environment. Each daily session will present campers the opportunity to explore science through creative play, experimentation, and inquiry-based learning experiences. The sessions present age-appropriate curriculum and are designed to provide students with engaging educational activities that are both informative and entertaining.

For more information and to download a brochure, please visit www.tallymolab.org.

THEMES:

Monday, March 14, 2022: Savory Sleuths – Ever wonder what happens on a molecular level when cooking pasta? Can science help cool the heat from eating hot sauce that's too spicy? Delve into the wonders of food science with some fun experiments – some edible, some not.

Tuesday, March 15, 2022: Engineer Lab – You're the engineer as you get hands-on with fun challenges that have you thinking creatively to solve problems while constructing in 3D. Build a bridge, create a Lego shelter, and use your imagination to design from a mystery bag!

Wednesday, March 16, 2022: Color Splash – Get ready for a colorfully creative day of discovery experiences in physics that include density experiments, color mixing with light, launching a rainbow rocket, and even investigating the color of water.

Thursday, March 17, 2022: Leaping Leprechauns – Luck-O-the-Irish be with you as you use the power of chemistry to create magical rocks, explore energy while launching a leprechaun, and create a shamrock circuit. It's sure to be a great day when we explore science themed to St. Patrick's Day!

Friday, March 18, 2022: Superhero Science - Up, up, and away for a day exploring the science behind our favorite superheroes! Control weather forces like Storm, discover quick reactions that make Flash so swift, harness Siryn's sonic power with super sound experiments, get charged up with Static, and explore the regenerative powers in nature like the Green Goblin!

Monday, March 21: Spark Smorgasbord – Have a blast at the grand finale of spring break 2022 with a host of amazingly fun science surprises. Flash, bang, construct, and consume - it's an assortment of your favorite activities and experiments!

FEES:

Daily Camp fees are \$45 per day. A discounted rate is available for multiple days and additional siblings.

Hours are from 9 a.m. to 4 p.m.; drop off starts at 8:45 a.m. and pick up is until 4:15 p.m.

Extended Camp care is available starting at 7:45 a.m. for \$5/day and until 6 p.m. for \$5/day.

REGISTRATION:

Payment in full is due with registration.

To pay by check or money order, please send completed registration forms and payment by mail to **1700 N. Monroe Street Suite 11-223; Tallahassee, FL 32303**.

Credit card payment must be made at www.tallymolab.org using MoLab, Inc.'s PayPal account. After completing your payment transaction, please write the confirmation sequence on the registration form and send by mail to the address above or email to aimee@tallymolab.org.

Registrations will be confirmed once both payment and registration forms are received.

Please see the "Spring Camp Guidelines" document for additional camp information or contact Aimee Hills at 850-591-6362 or aimee@tallymolab.org with questions or concerns.

Camp Spark makes learning fun and links Science, Technology, Engineering, Art, and Mathematics (STEAM) concepts to the real-world
