

Winter Camp Spark - Igniting Knowledge!

December 19, 20, 21, 22, 23, 27, 28, 29, & 30, 2022 & January 3, 2023

REGISTRATION BEGINS November 1, 2022

MoLab, Inc.'s Camp Spark – Igniting Knowledge! is offered when students in Leon County are on school breaks for the fall, winter, spring, and throughout the summer. Sessions are presented at a local school or organization. Winter Camp Spark will be held at St. Paul's United Methodist Church at 1700 North Meridian Road, Tallahassee, FL 32303.

Winter Camp Spark will offer students 5 years old through the 8th grade the opportunity to participate in STEAM (Science, Technology, Engineering, Art, and Math) activities in a fun, interactive, and safe environment. Each daily session will present campers the opportunity to explore science through creative play, experimentation, and inquiry-based learning experiences. The sessions present age-appropriate curriculum and are designed to provide students with engaging educational activities that are both informative and entertaining.

For more information and to download Camp Guidelines, please visit www.tallymolab.org.

Monday, December 19, 2022: Candy Coated Chemistry – Bust out your lab coats and get ready for a sensationally sweet day exploring candy science. Mix up your own lollipops, explore the science of a perfectly toasted marshmallow, and erupt a candy volcano!

Tuesday, December 20, 2022: Amusement Park Science – Discover the science behind the fun of amusement parks! Learn about centripetal force and momentum as you get hands-on to build a coaster, create a tilt-a-whirl top, make candied apples, and more!

Wednesday, December 21, 2022: Hogwarts Day School – Calling all Hogwarts students home for the winter holiday to a one-day workshop designed to exercise wizardry skills. Subjects to be covered include Potions, Herbology, Arithmancy, and the Care of Magical Creatures.

Thursday, December 22, 2022: Chillin' Science – It's the perfect time of the year to relax and explore all things cold. Discover cold climates and creatures, get hands-on to discover how glacier movement affects the earth, and enjoy experiments with dry ice!

Friday, December 23, 2022: Tinker Lab – Design, Build, and Create as you explore your inventive side to assemble some amazing contraptions and use your engineering skills to construct your own amazing gadget.

Tuesday, December 27, 2022: Camp Minecraft – Enjoy a day exploring science through Minecraft themed experiments and projects. Discover the earth's rocks and minerals, use your math skills to create creeper art, build a sugar cube dwelling, and sharpen your coding skills on Code.org.

Wednesday, December 28, 2022: Glow Science – So many things glow in the dark! From toys to nature, we will explore things that give off their own light. Experiment with glow sticks, explode an eerie geyser, and create glow in the dark slime!

Thursday, December 29, 2022: Fantastic Flyers – Explore the physics of flight and discover all things that soar! Hands-on projects include launching a rocket, creating a flying hoopster, and experiments with Bernoulli!

Friday, December 30, 2022: Time Traveling Scientists – Pack your bags for an adventure back in time. Discover the art and science of ancient civilizations as you put Archimedes to the test, build a Roman arch, make an Egyptian shadow clock, and more!

Tuesday, January 3, 2023: Spark Smorgasbord – It's time for the conclusion of another fantastic session of Camp Spark. Our hypothesis was correct, MoLab is full of fun discovery experiences! Enjoy one more day of unpredictably fun hands-on STEM experiments and challenges.

FEES:

Daily Camp fees are \$47 per day. Hours are from 9 a.m. to 4 p.m.; drop off starts at 8:45 a.m. and pick up is until 4:15 p.m.

Register more than one camper and all additional siblings receive a discounted rate of \$45 per day. The discounted rate also applies to campers registering for 3 or more days.

ADDITIONAL INFORMATION:

Please visit www.tallymolab.org to download the Camp Guidelines for additional details. Contact Aimee Hills at aimee@tallymolab.org or 850-591-6362 with questions or for assistance in registering.

REGISTRATION:

Payment in full is due with registration.

To pay by check or money order, please send completed registration forms and payment by mail to **MoLab, Inc.** at **1700 N. Monroe Street, Suite 11-223 Tallahassee, FL 32303.**

Credit card payment must be made at www.tallymolab.org using MoLab's PayPal account. After completing your transaction, please write the confirmation sequence on the registration form and send by mail to the address above or email to aimee@tallymolab.org.

Camp Spark makes learning fun and links Science, Technology, Engineering, Art, and Mathematics (STEAM) concepts to the real-world
