Spring Camp Spark - Igniting Knowledge!

March 13 - 17 & 20, 2023

REGISTRATION BEGINS January 30, 2023

MoLab, Inc.'s Camp Spark – Igniting Knowledge! is offered when students in Leon County are on school breaks for the fall, winter, spring, and throughout the summer. Sessions are presented at a local school or organization. We are excited to host this camp session at St. Paul's United Methodist Church at 1700 North Meridian Road Tallahassee, FL 32303.

Spring Camp Spark will offer students 5 years old through the 8th grade the opportunity to participate in STEAM (Science, Technology, Engineering, Art, and Math) activities in a fun, interactive, and safe environment. Each daily session will present campers the opportunity to explore science through creative play, experimentation, and inquiry-based learning experiences. The sessions present age-appropriate curriculum and are designed to provide students with engaging educational activities that are both informative and entertaining.

For more information and to download a brochure, please visit www.tallymolab.org.

THEMES:

Monday, March 13: Fabulous Physics - Explore the amazing world of physics with a day dedicated to hands-on discoveries. Campers will be able to engineer a catapult, build a potato battery, experiment with a fireproof balloon, and more!

Tuesday, March 14: **Science Gags** - Use some science know-how to make people laugh with classic gags like fake snot, disappearing ink, and optical illusions. Plus, learn some science jokes to entertain the family!

Wednesday, March 15: Fab Food Lab – Enjoy a day exploring science with a fabulous food twist. Discover digestion in a goo-ology experiment, engineer spaghetti towers, and concoct some edible and not-so-edible treats!

Thursday, March 16: Mythical Creatures - You're the cryptozoologist as you discover the scientific side of animals whose existence has yet to be confirmed by science. Bigfoot in North American forests? Plesiosaurs in Loch Ness? Plus, uncover previously thought to be cyprids whose existence breaks biological rules.

Friday, March 17: Shamrock Science - It's a St. Patrick's Day themed day camp of discovery! Participate in green experiments, plant your own spud, enjoy live encounters with snakes, create a rainbow, and learn to count the Gaelic way.

Monday, March 20: Spark Smorgasbord – Rock out the last day of Spring Camp with all things STEAM. Enjoy an assortment of your favorites including food chemistry, engineering, and coding!

FEES:

Daily Camp fees are $47 per day. A discounted rate is available for multiple days and additional siblings.

Hours are from 9 a.m. to 4 p.m.; drop off starts at 8:45 a.m. and pick up is until 4:15 p.m.

Extended Camp care is available starting at 7:45 a.m. for $5/day and until 6 p.m. for $5/day.

REGISTRATION:

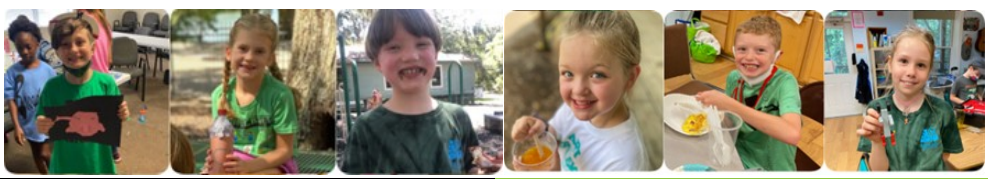
Payment in full is due with registration.

To pay by check or money order, please send completed registration forms and payment by mail to **1700 N. Monroe Street Suite 11-223; Tallahassee, FL 32303**.

Credit card payment must be made at www.tallymolab.org using MoLab, Inc.'s PayPal account. After completing your payment transaction, please write the confirmation sequence on the registration form and send by mail to the address above or email to aimee@tallymolab.org.

Registrations will be confirmed once both payment and registration forms are received.

Please see the "Spring Camp Guidelines" document for additional camp information or contact Aimee Hills at 850-591-6362 or aimee@tallymolab.org with questions or concerns.



Camp Spark makes learning fun and links Science, Technology, Engineering, Art, and Mathematics (STEAM) concepts to the real-world
