Spring Camp Spark - Igniting Knowledge!

March 11 - 15 & 18, 2024

REGISTRATION BEGINS January 29, 2024

MoLab, Inc.'s Camp Spark – Igniting Knowledge! is offered when students in Leon County are on school breaks for the fall, winter, spring, and throughout the summer. Sessions are presented at a local school or organization. We are excited to host this camp session at St. Paul's United Methodist Church at 1700 North Meridian Road Tallahassee, FL 32303.

Spring Camp Spark will offer students 5 years old through the 8th grade the opportunity to participate in STEAM (Science, Technology, Engineering, Art, and Math) activities in a fun, interactive, and safe environment. Each daily session will present campers the opportunity to explore science through creative play, experimentation, and inquiry-based learning experiences. The sessions present age-appropriate curriculum and are designed to provide students with engaging educational activities that are both informative and entertaining.

For more information and to download the "Spring Camp Guidelines," please visit www.tallymolab.org.

THEMES:

Monday, March 11: Roblox Rebuild! – Pros and Noobs will enjoy a day of exploration with Roblox! Campers will participate in age-appropriate activities thinking creatively with design, codes and blocks, and story writing. Plus, practice your parkour skills navigating an Obby, and make an edible avatar!

Tuesday, March 12: Candy Lab – It's yumology at its best when we spend the day exploring science through candy! Test your engineering skills with creative sweet constructions, discover density with chewy treats, test the acidity of sour candies, and experiment with explosive results!

Wednesday, March 13: Elemental Explorations – Benders unite as you use science to control the elements! Get hands-on and move the earth with edible plate tectonics, use extreme cold to extinguish a flame, use electrons to bend water, create a tornado in a jar, and more!

Thursday, March 14: Movie Magic – Discover the wonders of the art of cinema as you participate in entertaining activities that reveal the science behind the magic. Make moving pictures, explore special effects, experiment with perspective tricks, and make fake blood!

Friday, March 15: Potter's Potion Lab – Professor Snape has left a challenging set of lesson plans for magicians and muggles attending today's session. Get hands-on mixing an assortment of chemistry concoctions that are edible, ooze, bubble, or burst!

Monday, March 18: Spark Smorgasbord – Get excited for your quantum jump into the finale of the school year with a day designed to get you energized! It's an assortment of awesome STEAM experiments with infinite discovery possibilities!

FEES:

Daily Camp fees are $55 per day. Register more than one camper and all additional siblings receive a discounted rate of $50 per day.

Hours are from 9 a.m. to 4 p.m.; drop off starts at 8:45 a.m. and pick up is until 4:15 p.m.

Extended Camp care is available starting at 7:45 a.m. for $5/day and until 6 p.m. for $5/day.

REGISTRATION:

Payment in full is due with registration.

To pay by check or money order, please send completed registration forms and payment by mail to **1700 N. Monroe Street Suite 11-223; Tallahassee, FL 32303**.

Credit card payment must be made at www.tallymolab.org using MoLab, Inc.'s PayPal account. After completing your payment transaction, please write the confirmation sequence on the registration form and send by mail to the address above or email to aimee@tallymolab.org.

Registrations will be confirmed once both payment and registration forms are received.

Please see the **Spring Camp Guidelines** document for additional camp information or contact Aimee Hills at 850-591-6362 or aimee@tallymolab.org with questions or concerns.

Camp Spark makes learning fun and links Science, Technology, Engineering, Art, and Mathematics (STEAM) concepts to the real-world
