

Fall Camp Spark - Igniting Knowledge!

November 25 - 27, 2024

REGISTRATION OPENS SEPTEMBER 20, 2024

MoLab, Inc.'s Camp Spark – Igniting Knowledge! is offered when students in Leon County are on school breaks for the fall, winter, spring, and throughout the summer. Fall Camp Spark will be held at Saint Paul's United Methodist Church at 1700 North Meridian Road, Tallahassee, FL 32303.

Fall Camp Spark will offer students 5 years old through the 8th grade the opportunity to participate in STEAM (Science, Technology, Engineering, Art, and Math) activities in a fun, interactive, and safe environment. Each daily session will present campers the opportunity to explore science through creative play, experimentation, and inquiry-based learning experiences. The sessions present age-appropriate curriculum and are designed to provide students with engaging educational activities that are both informative and entertaining.

Monday, November 25: Gaming Adventures – Think like a coder and get hands-on with a day of scientific discovery with your favorite gaming characters! Engineer a Fortnite inspired tower, create Creeper pixel art, build and race Mario inspired carts, and use chemistry to hatch a Poké Ball!

Tuesday, November 26: Potions Class – Professor Snape has left a challenging set of lesson plans for magicians and muggles attending today's session. Get hands-on mixing an assortment of chemistry concoctions that ooze, bubble, and burst!

Wednesday, November 27: Grateful Gobblers – Grab your lab coats and have fun being thankful for science! Experiment with dancing corn, create cranberry constructions, mix up pumpkin-slime, use cutlery to explore physics, and make your own butter to take home!
