

Fall Camp Spark - Igniting Knowledge!

November 23 - 25, 2026

REGISTRATION OPENS SEPTEMBER 16, 2026

MoLab, Inc.'s Camp Spark – Igniting Knowledge! is offered when students in Leon County are on school breaks for the fall, winter, spring, and throughout the summer. Fall Camp Spark will be held at Saint Paul's United Methodist Church at 1700 North Meridian Road, Tallahassee, FL 32303.

Fall Camp Spark will offer students 5 years old through the 8th grade the opportunity to participate in STEAM (Science, Technology, Engineering, Art, and Math) activities in a fun, interactive, and safe environment. Each daily session will present campers the opportunity to explore science through creative play, experimentation, and inquiry-based learning experiences. The sessions present age-appropriate curriculum and are designed to provide students with engaging educational activities that are both informative and entertaining.

Monday, November 23: Pop Culture Lab: Explore science through the lens of your entertainment favorites. Get hands-on with rock making and geology with Minecraft, create explosive chalk rockets inspired by Pokémon's Electrode, make a map of your own fantasy world like Zelda, and mix up a bubbling potion wizard-style!

Tuesday, November 24: Engineering Marvels: Put your engineering skills to the test in a fun filled day of physics discovery. Get inventive and creative as you build defensive towers, tough bridges, a colossal skyscraper, and more!

Wednesday, November 25: Savory Science Smorgasbord: Get ready for the holiday enjoying an assortment of science activities with a tasty twist. Discover the chemistry of digestion, explore engineering in a fun "Snackitecture" project, and concoct some edible and not-so-edible treats!
